Le bonhomme de neige en vrac

Une bourrasque s'est levée dans la nuit. Le vent s'est amusé à tourbillonner entre les jardins, à faire danser les flocons et... à démantibuler tous les bonshommes de neige ! Chapeaux, nez, écharpes et bras se sont envolés aux quatre coins de l'école. Vite ! Aide ton bonhomme à retrouver ses morceaux avant que le vent ne revienne jouer avec lui !

Règles du jeu :

Chaque joueur dispose d'un bonhomme de neige à reconstruire.

À tour de rôle, chacun lance le dé et ajoute la partie correspondant au nombre obtenu.

Si la partie est déjà placée, le tour passe au joueur suivant.

Le premier bonhomme de neige entièrement reconstitué remporte la partie.
